

Dialectics of Nature – 1976, Issue 2: Index translated into English

Yuan Renping: The Dictatorship of the Proletariat Must be Upheld in the Field of Science and Technology (p. 1)

Zhao Qian: What “Outline” is “Proposed”? - A review of the “Outline of the Report on the Work of the Academy of Sciences” (p. 7) *[[Subject of critique prepared by Deng Xiaoping]]*

Nitrogenase Group, Institute of Plant Physiology, Shanghai: Relying on Marxist Philosophy to Reach the Top (p. 15) *[[Discusses the purification of Nitrogenase fertilizer, conducted in much simpler non-“anaerobic” conditions than western scientists thought feasible through applying Dialectical Materialism]]*

Zhao Dongsheng, Shanghai First People’s Hospital: Dialectical Materialism Guides Us to Blaze New Trails (p. 20) *[[Discusses the application of Dialectical Materialism to resolve problems with Retinal Detachment Surgery]]*

Shanghai Institute of Technical Physics, Chinese Academy of Sciences: Opening the Door to the Institute has Promoted the Vigorous Development of national defense research (p. 26)

Vast Land With Great Potential

Heilongjiang Province, Huma County, Yibaiken Commune, Team Two Experimental Group: Fragrant Northern Rice (p. 30) *[[Discusses the cultivation of rice in the previously unsuitably cold northern Chinese conditions]]*

Ying Guangyao, Wáng Lǐng Youth Team, Ninglaozhuang Commune, Fuyang County, Anhui Province: How I Made Insect Sex Attractants (p. 34) *[[Use of insect pheromones as “pesticide”]]*

Orchard No. 2, Xinhai Farm, Shanghai: Dialectics in the Orchard (p. 38) *[[Dialectical Materialism was applied to improve the cultivation of pear trees]]*

Amateur University 16th Company Branch, Great Leap Forward Farm, Shanghai: A “Grass Hut University” Educates New People (p. 43)

Questions in Mathematics

Wu Cheng: How to Understand Variables? – Notes on studying Marx’s “Mathematical Manuscripts” (p. 46)

Chunlin Si: Three Crisis in the History of Mathematics (p. 58)

Natural History

Li Bingwen and Hu Bo: Humanity’s Continuation and Development (Continued) (p. 70)

Medical Questions

Neurology Department of the First Affiliated Hospital of the Second Military Medical University: From Electro-Convulsive Therapy to “Wrist Acupuncture” (p. 109)

Sheng Shanben, Hongkou District Central Hospital: Why is Wrist Acupuncture Effective? (p. 119)

Jing'an District Central Hospital: Acupuncture Needles are as Good as a Scalpel (p. 124)

Theoretical Group of Shanghai Second Medical College: Comment on the localism of micro-ear and cell pathology (p. 131) *[[Localism is the theory that different cellular structures are separate “kingdoms”, and there is no unified human body]]*

New Flowers for Revolutionary Medicine

Shanghai Trichosanthes Collaborative Group: The rebirth of Trichosanthes (p. 143) *[[Trichosanthes is a herbal medicine, the article discusses the application of Dialectical Materialism to quell its negative side affects. The medication is also traditionally used for abortion]]*

Barefoot Doctors Tang Dongliang et al, Xinnong Brigade, Fengwei Commune, Jinshan County: Taking Advantage of Herbal Medicine to Strengthen Cooperative Medical Care (p. 148)

Changning District Wuyi Road Section Hospital: Herbal Medicine Opens a New Realm (p. 152)

Han Ganji, Shanghai Qunli Herbal Medicine Shop: Discover the rich treasure trove of herbs among the masses (p. 156)

Learning Natural Dialectics from Practical Experience

Agricultural Machinery Institute, Shanghai Academy of Agricultural Sciences: Let One Agricultural Machine do a Variety of Agricultural Work – Trial Production of a 3-Mode Small Power Multi-Purpose Chassis (p. 161)

Supply and Marketing Cooperative of Xuhang Commune, Jiading County: Fertilizer sellers must know how to use fertilizers properly (p. 166)

Qingpu County Agricultural Science Research Institute: Indoor Rice Seedling Cultivation (p. 170)

Songjiang County Chengbei Commune Breeding Farm: Experience in Breeding Improved Pig Breeds (p. 173)

Unauthored – Presumably Editors: Combining Factory Health Care with Sports (p. 177)

Shang Kezhong, Department of Radiology, Shanghai Sixth People's Hospital: Small Machines can also Take Good Gastrointestinal Films (p. 181) *[[Films here means taking images to examine the gastrointestinal system]]*

Ancient Chinese Science and Technology

Qin Gong: The origin of printing (p. 185)

Zhou Shan: · Film Review · A Song of Praise for Land Transformation - Cai Ye Science and Education Film “Sand Fixation and Afforestation” (p. 198)

Shen Ming: · Essays · “The Grand Academy of Sciences” (p. 202) *[[The “Grand Academy of Sciences” is an 18th century British satirical novel dramatizing the divorce between scholars and practice – Shen Mings work critiques this attitude]]*
