

# COMMUNIST PARTY OF INDIA (MAOIST) CENTRAL COMMITTEE

Press Release

10 November 2018

**On the occasion of the 18th Formation Day of the People's Liberation Guerrilla Army (PLGA) on 2 December, observe PLGA Week from 2 to 8 December 2018 with revolutionary enthusiasm!**

The People's Liberation Guerrilla Army (PLGA) is one of the three magic weapons indispensable for the success of the new democratic revolution in India. As Comrade Mao said, the people have nothing without a people's army. It is with this understanding that PLGA was formed on 2 December 2000 under the leadership of our Party with the aim of liberating India from the exploitation and oppression of imperialism, comprador bureaucratic bourgeoisie and feudalism. It was formed as per the guidance of Comrade Charu Majumdar and Comrade Kanhai Chatterjee – the founders, teachers and builders of Indian revolution – along with the inspiration of immortal martyrs Comrades Shyam, Mahesh and Murali and upholding the spirit of thousands of martyred comrades of the revolutionary movement.

Our PLGA is going to complete 18 years of its formation on the coming 2 December. On this occasion, the Central Committee (CC) of our Party conveys its revolutionary greetings to all Party committees, Party members, PLGA commands, red commanders and fighters of PLGA, Revolutionary People's Committees, leaders and members of the revolutionary mass organisations as well as the revolutionary masses and calls upon them to commemorate this historic day by taking up various programmes in all rural and urban areas where our Party is active. In the period from 2 December 2017 till now, nearly 235 comrades including Politburo members to Village Party Committee members have made the supreme sacrifice by laying down their precious lives on the road to make successful the Indian revolution. The CC conveys its red homage to these comrades who have been martyred in the last one year fighting back the enemy's fascist war on people in the name of 'Samadhan' strategic plan.

On this occasion, let us strengthen the PLGA by recruiting youth from the oppressed classes and social sections in their thousands. Let us develop our guerrilla army ideologically, politically and militarily in the light of Marxism-Leninism-Maoism so as to bring both quantitative and qualitative change to its commands and detachments. Let us intensify our efforts to realise the central task given by the Unity Congress-9th Congress of building base areas by transforming the PLGA to PLA and guerrilla war to mobile war. Taking inspiration from our martyred leaders and comrades, let us take pledge to fulfil their dreams and aspirations by crushing the Brahmanical Hindu-fascist forces, defeating all counter-revolutionary attacks like 'Samadhan' and completing the new democratic revolution to build socialism and communism.

- ***Intensify the struggle against Brahmanical Hindu-fascism using all forms of struggle!***
- ***Take forward the anti-imperialist and anti-feudal class struggle throughout the country!***
- ***Expand and intensify the guerrilla war by consolidating the mass base and strengthening the Party and the PLGA!***
- ***Defeat the 'Samadhan' strategic attack conducted by the central and state governments aimed at wiping out the revolutionary movement in India!***
